

Putting the in HARTNELL

As we give thanks this holiday season, I want to express my gratitude to all members of the Hartnell team. I am grateful for the kindness, respect, commitment, and dedication I have witnessed over the last several weeks.

Despite immense uncertainty and barriers, the college resumed operations, and our students continued their learning pathway without significant interruption. Your passion and positive spirit demonstrate the power of teamwork and prove we can accomplish incredible things by working together. I am incredibly thankful to be a part of this amazing team.

You all truly put the  in Hartnell.

Though today I reflect on all the personal reasons I am thankful for, it would not be complete without reflecting on why we all work so hard to fulfill Hartnell's mission. "Students First" is our driver at Hartnell College. Every student deserves a place where they can succeed and access the highest quality education possible. Our efforts contribute to the promise of strengthening our communities by providing opportunities for students to reach career and academic goals.

Thank you for being so committed to fulfilling this promise and leading us to a college of even greater excellence. Happy Thanksgiving.

Michael Gutierrez

Superintendent/President

The President's Weekly Report highlights accomplishment, engagement, progress, and success for and within the Hartnell College community. The President's Weekly Report will be distributed every two weeks. Please send information and photos by each Tuesday to vagonzalez@hartnell.edu.

ELA (English Language Arts) Academy

On November 4, 2022, over 100 students and their families from the ELA Academy attended the Celebration of Learning event at Hartnell College's Alisal Campus. The event's agenda included a campus tour and CTE program education.

Early College High School

Director of College Readiness Ben Grainger, Vice President of Student Affairs Romero Jalomo, and President Michael Gutierrez presented on the proposed enhanced dual enrollment partnership during the November 8, 2022, GUSD board meeting. As previously mentioned during a Hartnell College board meeting, interest in establishing an early college high school at Gonzales High School was announced and applauded by those in attendance. The program is anticipated to launch in the fall of 2024.

The GUSD board will vote on the early college high school partnership with Hartnell College on December 18, 2022.

Another Successful Wolf Trail Wednesday

On November 16, 2022, Hartnell's Career Technical Education Programs invited El Puente, Mt. Toro, and Salinas Adult School students to a "CTE experience" during another Wolf Trail Wednesday at the Salinas Education Center. Attendees benefited from hands-on activities in Ag Entomology (the study of insects), Advanced Automotive Technology, and the Forklift Simulator. Students were engaged and excited at the prospect of attending Hartnell College in the future.

Richard Chapman and Kerry DeCarli held a Mechatronics Pop-up Display in the Student Life Center on November 9th. Robotics for automated packaging lines were demonstrated to
