INFORMATION/DISCUSSION/PRESENTATIONS

1. Superintendent Report

Dr. Patricia Hsieh

Grant Leonard

Dr. Hsieh presented the status of the college especially in regards to the COVID-19 pandemic. The college has gone to an online delivery and closed the campus to the public. Only essential staff are remaining on site.

Feedback initially is that there have been some students finding it hard to get online especially in the south county area. Laptops and mobile hot spots have been obtained and provided to the students. Student support is still functioning such as the Panther Lab, Counseling (on line) as well as Crisis ColorsEQug0.00009tedh
