

Whereas BP and AP 2510 require the governing board of trustees to consult collegially with the Academic Senate on academic and professional matters; “consult collegially” means that the governing board of trustees develops policies on academic and professional matters through relying primarily upon the advice and judgment of the Academic Senate;

Whereas grading policies are academic and professional matters

Whereas standards or policies regarding student preparation and success are academic and professional matters;

Whereas the governing board of trustees also approved BP 1200 which states that the vision, mission, and values statements of the Hartnell Community College District serve to guide all planning and decision making and the Students First values statement directs Hartnell College to ask, “What impact will the decision have on student access, learning, development, achievement, leadership, and success?” before making decisions;

Whereas the Academic and Service Excellence values statement commits Hartnell

to us to assess academic standing for all students within of the semester, and grades need to be submitted by to ensure adequate time to review the financial aid for the following semester’s disbursement;

College Student Learning Outcome and Assessment policies as grading for assessing and entering the results of learning outcomes and assessment;

have employment and/or transfer opportunities delayed grade reporting may jeopardize these

Resolved that Hartnell College faculty shall not be given any assignments including meetings, during the last week of each semester and summer session so that they can focus on student learning and achievement, along
