Interview scoring online

The screenshot displays a web-based interface for an online interview scoring system. At the top, the name "Leanne Anderson" is visible in a green header. Below this, there is a search bar and a navigation menu. The main content area is divided into several sections, including a list of interview questions and a corresponding scoring table. The table has columns for question numbers and scores. The interface is designed to be user-friendly, with clear labels and a structured layout for entering and reviewing scores.
