5. Academic Senate Report (standing item) Tabled for next meeting.

6. Governance Task Force Update Dr. Marianne Fontes Dr. Fontes shared that the current proposal has been making the rounds to all governance councils and committees, and our council is the last one to receive her presentation. The goal is to have a council, such as

community. Dr. Fontes advised that they have been collecting feedback from all groups; there are patterns that they have noticed, not scattered suggestions. Dean Albert suggested balancing Student Affairs and Academic Affairs in the Student Success Council. Mr. Almendariz inquired if there is turnover in positions, is there an opportunity for others to take the roles (particularly in the management side)? Dr. Fontes shared that the President is fine with appointing managers, such as deans and directors, instead of all the vice presidents to the councils. Dr. Wilkinson inquired about the co-
