3. Promise Program

Bronwyn Moreo

- x Hartnell enrollment data shows a 14% increase from local high schools
- x 37% increase in students who enrolled full time
- x North Monterey County HS showed the highest increase in enrollment, from 10 full time in to 51 full time
- x More than a 10% improvement over the prior three years
- x The increase in enrollment of full time students is particularly important because full time students complete a certificate, a degree or transfer to a university at a higher rate than part time students.
- x An Analysis of Variance (ANOVA) was conducted to compare the difference in course success rates between full Salinas Valley Promise students and full time, first time in college students (not in SVP). The results of an ANOVA found that Fulltime Salinas Valley Promise participants were more likely to succeed.
- x Average Number of Courses Taken Per Semester:
- x Both first time in college & continuing or returning students who participated in the Summer Leadership Experience Program took more courses on average per semester (4.3 & 4.4 courses respectively) (071)3 (s).8 (a)-3.3 (n), f air
