## HARTNELL COMMUNITY COLLEGE DISTRICT

- AP 4051 High School Articulation
- References: Education Code Sections 66720-66744; Title 5 Sections 51022(b) and 55051; ACCLC Accreditation Standard II.A.10

not limited to, course outcomes and objectives, course content, lab content, instructional methodology, methods of evaluation and grading, instructional equipment, assignment examples, and student materials.

After approval by the Ourriculum Committee, the Articulation Agreement shall be approved by appropriate high school personnel. Articulation Agreements with high schools shall be kept on file in the Office of Academic Affairs.

Process for Receiving High School Articulated Oredit:

- The content and objectives to be measured in the articulated course exam/assessment shall be determined by Hartnell Community College District faculty of the appropriate discipline and the Hartnell College Curriculum Committee. The Committee shall determine if:
  - $\tilde{N}$  Content of the articulated course is aligned with the course outline of record; and
  - Ñ The assessment process adequately measures mastery of the course content as set forth in the course outline of record.
