Dr. Willard Lewallen  
Superintendent/President  
Hartnell College  
411 Central Avenue  
Salinas, CA 93901

Dear Superintendent/President Lewallen:

Thank you for your timely submission of the Hartnell College Institutional Self Evaluation Report (ISER) and related materials. We know that the document represents many hours of work by many people in the institution.

The peer review team will review these documents in preparation for its site visit and will, through meetings, interviews, and evaluation of evidence, develop a report to the College and the Accrediting Commission regarding the extent to which the College meets Eligibility Requirements, Accreditation Standards and Commission policies. The ISER will inform and guide this activity.

The most important outcomes of the self-evaluation process are what the institution learns about itself and the steps it takes to improve teaching and learning. We hope that this effort has produced useful information for the continued development of educational quality and institutional effectiveness at Hartnell College.

Sincerely,

Steven Reynolds,  
Vice President
