Hartnell College Mission Statement

Focusing on the needs of the Salinas Valley, Hartnell College provides educational opportunities for students to reach academic goals in an environment committed to student learning, achievement, and success.

4. Report from Third Annual Student Success Conference at Hartnell

Kelly reported that the conference was very well attended and received. She mentioned that she was very happy to see that an activity originally developed and funded by Title V has become institutionalized. Frank also reported that his workshops were very well attended. He mentioned that he had the opportunity to showcase Tutorial Services; the workshop PowerPoint presentation is available on the Tutorial website

that there is a need for more online assistance and tutorial support during evening and weekend hours. Kathy mentioned that one of the ACCJC recommendations is about online counseling services and asked the committee to start thinking about how we can provide those services. Kelly mentioned that ALEKs has been used in the Math Academy to provide another method of math assessment (multiple measures) and that it has been a useful tool (Math faculty have created a rubric to identify the courses that a results in ALEKs. Carol King will talk to Jim about the Multiple Measures FIG in which she is participating.

5. Planning for Spring Semester

Kathy asked the committee to review the 2013 Action Plan for evaluation purposes and to begin Plan
