5. Funding Proposals
The funding proposal for the second ESL Summer Institute, a two week intensive program to build academic writing/reading/presentation skills of high-intermediate and advanced level ESL students, was approved. The proposal for software for the ESL Lab was tabled until more information can be presented.

6. Planning for Spring Semester
Kathy asked if planning could be moved the next agenda because of time constraints.

7. Title V Competition
Maya Watson created a document requesting survey questions; the group will meet March 4, 2014. A report of the meeting will be presented at the next SSC meeting on March 17, 2014.

8. STAAR Assessment Review Sessions
High Schools are beginning the STAAR assessment on April 8, 2014. Panther Day will be on May 10, 2014; faculty are invited to attend and participate. Lunch will be provided.

9. Other

10. Adjournment
Meeting adjourned at 4:35 p.m.

Hartnell College Mission Statement
Focusing on the needs of the Salinas Valley, Hartnell College provides educational opportunities for students to reach academic goals in an environment committed to student learning, achievement, and success.
