Implementation projected for Fall 2019, pending any externally required approvals.

A) Degree Revisions (See documents in folder https:bit.ly/F18deg)
1) Associate of Science in Advanced Automotive Technology

   (a)   Discussion about adding Certificate(s) of Achievement to the existing programs.
          Program approval: MSU

2) Associate of Science in Advanced Diesel Technology

   (a)   Discussion about adding Certificate(s) of Achievement to the existing programs. Will continue refining program with potential to reduce units, combine courses and add certification opportunities for students.
          Program approval: MSU

3) Associate of Science in Astronomy

   (a)   Degree first started in 2013 following AS-T pattern. Has the CSUGE and IGETC patterns as GE requirements.
          Program approval: MSU

4) Associate of Science in Computer Science
   Tabled: MSU

5) Certificate of Achievement in Computer Science
   Tabled: MSU

6) Associate of Science in Computer Science: Network and Security
   Tabled: MSU

7) Certificate of Achievement in Computer Science: Network and Security
   Tabled: MSU

8) Associate of Arts in Digital Arts
   Tabled: MSU

9) Associate of Arts in Photography
Tabled: MSU

10) Associate of Arts in Psychology

(a)   Degree was streamlined and aligned with UC requirements to provide an option to students for whom AA-T is not appropriate.
Program approval: MSU

VIII.   CWEE Plan

A) Liz Cabiles presented the updated and enhanced CWEE plan. Faculty will read and provide her with feedback and she will present more fully at a future meeting.

IX.   BP/AP 4020

A) Revision of BP and AP to incorporate regulation changes. The draft was presented to the Curriculum Committee for initial reading. At next meeting committee will vote on whether to recommend to Academic Senate for approval.

X.   Meeting Adjourned. Next meeting date: 11/15/2018.
