Proposed Standard for 2015-16: Each measure was reduced by taking the average of the immediate five previous years and reducing it by five percent of the average

- 1. Transfers** were captured from a series of aggregated first-time freshman cohorts (1993-94 to present) that completed at least 12 units while in the community college system at the time transfer. A student records match with the National Student Clearinghouse (NSC) identifies the transfer baccalaureate granting institution.
- 2. Transfers** are any students who have matriculated at a college/university after high school and prior to matriculating at a CSU. When these students left Hartnell is unknown. Almost all of these students meet the requirements for the Uppler Division Transfers where they have completed at least 60 semester or 90 quarter transferable units or awarded a California Community College Associate in Arts for Transfer or Associate in Science for Transfer degree (AA-T or AS-T Degree) before applying transfer to the CSU. Detailed number of upper and lower division transfers from Hartnell by CSU campus in fall 2014 can be found here: http://www.calstate.edu/as/stat_reports/2014-2015/fccct03.htm .
- 3. Transfers** are any students who have matriculated at a college/university after high school and prior to matriculating at a UC. When these students left Hartnell is unknown. Students must complete at least 60 semester (90 quarter) units of UC-trasferable credit. Details of transfer minimum requirements can be found here: <http://admission.universityofcalifornia.edu/transfer/preparing-admission/minimum-requirements/index.html> .
