2013-14 Completers

Alumni Phone survey

Outreach list: 200 students

Context:

The survey instrument was designed and provided by the IPRE office

The Data collection was managed by the Director of Communications and outsourced to an external agent

Outreach:

- Phone calls were made during the week, especially in the evenings (5pm – 7pm)
- Additional calls were made during the weekend
- A total of three phone calls were made before classified as no answer
- A voicemail message was left after there was no answer and provided them with a callback number if they desired to reach back which
