not expected to occur for approximately one year. Ben asked that this detail not impede any approval at this meeting, he simply wanted the council to be aware. Brief discussion followed. **0**- *

INFORMATION/DISCUSSION/PRESENTATIONS

1. <u>IT/Phone System Update</u>

Dave Phillips was unable to attend the meeting. This update will be placed on the March agenda.

2. Bond Measure Update

Joseph Reyes

Joseph began by stating that there are two separate groups of projects: Measure T and non-Measure T.

Outdoor benches have all been assembled; of six purchased, one is outside Building D, one is

will be placed outside Building B. These benches are/will be secured to the concrete.

The master license agreement with Starbucks is being finalized. Construction documents will not be underway until the document is finalized.

Parking meters have been installed and at this time, credit/debit cards cannot be used. Parking fee remains \$2.00.

Old labs in MER are being demolished and removed. New flooring, furniture, projectors, and screens which are more conducive to teaching multiple subjects are being installed.

Obtaining quotes for installing a sound system on the soccer field.

Solar project is underway and construction is moving forward. Completion goal is August.

Finalizing bid documents for The Western Stage ticket booth. The goal for completion is November before the annual TWS gala.

Hartnell College will be nationally recognized for the success of our students by developing leaders who will contribute to the social, cultural, and economic vitality of our region and the global community.

Everbridge has been tested. Users will receive an email, a text, and a call on their desk phones. All three have been tested and are working perfectly.

Working on finalizing parking. Temporary and daily passes now rest with Public Safety. If there are needs or wish to provide feedback, please direct to Public Safety.

Four student workers were hired and are expected to start work within the next few weeks. Student workers are going to be utilized to help Public Safety communicate more efficiently over
