

**Administrative Procedures**

The CPC received two revised administrative procedures:

AP 6340, Bids and Contracts

AP 6350, Contracts – Construction

Both procedures went through the process per AP 2410. At the conclusion of that process, legal counsel reviewed the procedures and made a number of changes to ensure compliance with construction/bidding law. The procedures will move forward to the Governing Board on April 7, 2015 as information. **beginning this spring and into the fall.**

**Budget Update**

**Locally Developed and Approved Goals for Institutional Effectiveness**

The board anticipates the California Community College Chancellor's Office (CCCCO) will develop a "new wall of transparency" to measure the operational environment focused at a minimum on the following: 1) student performance and outcomes, 2)

**Accreditation Follow-Up Visit**

The Accrediting Commission for Student Success and College Programs notified the college that a college membership visit would be on campus April 10, 2015. Each member served on the comprehensive visiting team in spring 2013. Team Chair, Dr. Jewel Laguerre, Superintendent/President, Solano CCD, will contact the district within the next few weeks about the logistics of the visit. Dr. Lori Kildal, Vice President of Academic Affairs and staff, will coordinate the visit.

this work is short because the CCCC is required to post its goals and all locally developed and adopted goals by June 30, 2015. To accomplish this work, Dave Beymer, Dr. Romero Jalomo, Dr. Brian Lofman, Chris Moss, and Cheryl O'Donnell agreed to help develop the goals. Dr. Romero Jalomo appointed Dr. Mark Sanchez to assist in this process, also.

Agendas, meeting materials, and minutes are posted online:
