(Government Code Sections 1126 and 1099)

Board members and employees shall not engage in any employment or activity that is inconsistent with, incompatible with, in conflict with or inimical to the Board member's duties as an officer of the District. A Board member shall not simultaneously hold two public offices that are incompatible. When two offices are incompatible, a Board member shall be deemed to have forfeited the first office upon acceding to the second.

(Government Code Sections 1090 et seq.)

Board members and employees shall not be financially interested in any contract made by the Board or in any contract they make in their capacity as members of the Board or as employees.

A Board member shall not be considered to be financially interested in a contract if his/her interest meets the definitions contained in applicable law (Government Code Section 1091.5).

A Board member shall not be deemed to be financially interested in a contract if he/she has only a remote interest in the contract and if the remote interest is disclosed during a Board meeting and noted in the official board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other member of the Board to enter into the contract. Remote interests are specified in Government Code Section 1091(b); they include, but are not limited to, the interest of a parent in the earnings of his or her minor child.

(Education Code Section 72103(b))

An employee of the District may not be sworn in as an elected or appointed member of the Governing Board unless and until he/she resigns as an employee. If the employee does not resign, the employment will automatically terminate upon being sworn into office. This provision does not apply to an individual who is usually employed in an occupation other than teaching and who also is, at the time of election to the Board, employed part time by the District to teach no more than one course per semester or quarter in the subject matter of that individual's occupation (Education Code Section 72103(b)).

(Government Code Sections 87100 et seq.)

If a Board member or employee determines that he/she has a financial interest in a decision, as described in Government Code Section 87103, this determination shall be disclosed and made part of the Board's official minutes. In the case of an employee, this announcement shall be made in writing and submitted to the Board. A Board member, upon identifying a conflict of

interest, or a potential conflict of interest, shall do all of the following prior to consideration of the matter.

Publicly identify the financial interest in detail sufficient to be understood by the public;
Recuse himself or herself from discussing and voting on the matter;
Leave the room until after the discussion, vote, and any other disposition of the matter is concluded unless the matter is placed on the agenda reserved for uncontested matters. A Board member may, however, discuss the issue during the time the general public speaks on the issue.
