

A person who transfers his or her employment from another school or community college District shall be deemed to meet the requirements of this procedure if the person can produce a certificate that shows that he or she within the past four years had a tuberculosis risk assessment that showed no risk factors were present or was examined and was found to be free of communicable tuberculosis, or if it is verified by the college previously employing him or her that it has a certificate on file that contains that showing.

A person who transfers his or her employment from a private or parochial elementary school, secondary school, or nursery school to the District shall be deemed to meet the requirements of this procedure if the person can produce a certificate as provided for in Health and Safety Code Section 121525 that shows that he or she within the last four years had a tuberculosis risk assessment that showed no risk factors were present or was examined and was found to be free of communicable tuberculosis, or if it is verified by the school previously employing him/her that it has the certificate on file.

The District will provide new hires and current employees with a TB Risk Assessment/TB Skin Test Authorization Form (HR-9) to present to authorized-testing providers, which will charge the cost of the risk assessment and/or skin test to the District.
