Comments: *05/11/16 - AAC did not approve. Council recommended tabling this AP for Fall 2016 in order to include the process created by A & R Dept. Council agreed AP should be revised by Dean Dominguez, Dean Mendelsohn, and a representative from the IT Department.*

*09/14/16 - Sub-committee changed the name of this AP from "Remedial Coursework" to "Basic Skills Coursework Limitation." AAC had no other issues with this AP, and approved to move forward to CPC in Oct. 2016.*
