- Applicable to all students at the college, the rate of successful student course completions. Of all credit enrollments, the rate at which students completed courses with a grade of A, B, C, or P over the number of student enrollments when the general enrollment period ends (first census date). Completions are calculated based upon the fall semester only.

Of all credit enrollments, the rate at which students completed courses and did not drop or withdraw from them.

- :

: Number of Associate Degree completed

- : Transfers were captured from a series of aggregated first-time freshman cohorts (1993-94 to present)that completed at least 12 units while in the community college system at the time transfer. A student records match with the National Student Clearinghouse (NSC) identifies the transfer baccalaureate granting institution.

- : Transfers are any students who have matriculated at a college/university after high school and prior to matriculating at a CSU. When these studentsleft Hartnell is unknown. Almost all of these studentsmeet the requirements for the Upper Division Transferswhere they have completed at least 60 semester or 90 quartertransferable units or awarded a California Community College Associate in Artsfor Transfer or Associate in Science for Transfer degree (AA-T or AS-T Degree) before applying transfer to the CSU. Detailed number of upper and lower division transfersfrom Hartnell by CSU campusin fall 2015 can be found here: http://www.calstate.edu/as/stat\_reports/2015-2016/fccct03.htm

- : Transfers are any students who have matriculated at a college/university after high school and prior to matriculating at a UC. When these students left Hartnell is unknown. Students must complete at least 60 semester (90 quarter) units of UC-transferable credit. Details of transfer minimum requirements can be found here: http://admission.universityofcalifornia.edu/transfer/preparing-admission/minimum-requirements/index.html
