

- Respondents were asked, if currently employed, how closely related their job is to their field of study at Hartnell Community College. 43% indicated they are working in the same field as their studies and training, followed 19.4% indicating they work in a field that is “close” to their studies and training, and 37.6% indicated their job is not related to their studies.
- Of those respondents who engaged in a job search after finishing their studies, 73.1% reported finding a job and 26.9% were still looking. Of those with a successful job search, 77.4% found a job within six months (56.6% within three months).
- 7 respondents (5.6%) indicated they obtained an industry certification or licensure and 19% indicated they obtained journey-level status in the same field of study after finishing their coursework.
- Before their studies, 63.3% of respondents worked full time. After completing their studies, 71.1% work full time. Figure 3 shows the results.
