## Affordable, Local Higher Education in the Salinas Valley

### Improving Access to Higher Education

By improving access to higher education, Hartnell College can help the people of the

residents over the age of 25 have earned a high school diploma, it is important to improve access to affordable community college, job training programs and quality college facilities in our area, and Hartnell College must upgrade and expand classrooms, labs and facilities to do so. That's why the Hartnell College Board of Trustees voted to place Measure T on the November 2016 ballot.

Since only 60% of Salinas Valley

### Local Funding to Upgrade our College

Measure T for Hartnell College would:

- ▲ Expand access to local higher education on the Main Campus in Salinas, at the Alisal Campus in East Salinas, in South Monterey County and in North Monterey County
- ▲ Add classrooms and labs for better job training, a skilled workforce and higher literacy rates
- ▲ Improve student access to computers and modern technology
- ▲ Improve nursing and skilled healthcare facilities and programs
- ▲ Expand access to agriculture, science, technology, engineering and math labs throughout the District
- ▲
- ▲ Expand facilities for serving military veterans
- ▲ Renovate and modernize outdated and aging classrooms, labs and student support facilities
- ▲ Make health, safety and handicapped accessibility improvements
- ▲

### Fiscal Accountability Would be Required

- ▲ Every penny raised by Measure T would be spent right here in the Salinas Valley to improve our local college – no funds could be taken by the State
- ▲ By law, no funds could be used for administrators' salaries
- ▲ Required independent citizens' oversight, annual audits and public reports
- ▲

### We Value Your Feedback

As the Hartnell Community College District continues to gather feedback about funding needs, we would like to provide the training for a skilled workforce and the education Salinas Valley residents
