Per Title 5, Section 58108 Regulations of the California Community College System, your calculated academic standing will impact your assigned registration date for future semesters. A second consecutive term (fall/spring semesters) on academic or progress probation will result in the loss of continuing student priority registration. This will also apply to any student over 100-unit limit (excluding non-degree applicable and ESL courses and high-unit majors that are over 60 units). This means you would register after
