Enter all courses (including Ds, Fs, Ws, repeated, and nontransferable) as they appear on your transcripts. Do not use the same question on the page.

Check your email regularly. Each university will email you instructions on how to access their student portal, which you should check for a "to do" list. Be sure to check your spam mail, since important emails may land here by mistake. Remember to submit your FAFSA or Dream Act (for AB540) before the March 2nd deadline every year.
